AT BRITISH UNIVERSITY VIETNAM

WHY IELTS AT BUV?

100% native international teachers with many years of experience teaching academic English and IELTS preparation, and an **English-standard curriculum** will deliver an innovative learning environment for students to develop their 4 English skills (Listening, Speaking, Reading and Writing) and improve their IELTS result in a short time.

Students are encouraged to learn English naturally and proactively with **effective and inspiring training methods** involving various activities, regular feedback from teachers and an IELTS mock final examination. The curriculum also prepares students that wish to excel English in academic and workplace contexts.

The international learning environment at BUV Ecopark campus, which has a 25 million USD investment for the first phase, is embedded with **state-of-the-art resources**, education technologies and facilities to optimise learning and teaching.

Small class sizes ensures increased student-teacher interaction.

Output goals committed: Students who attend more than 90% of the classes, but do not reach the desired grade to progress, can retake the course **free of charge**.
