**Oran Wardle**

BUV has been a great experience. I'd say it's been really welcoming. And the lecturers have been really good, really knowledgeable as well, and really passionate on their subjects.

---

**Bethany Rose Fox**  
United Kingdom

I loved being at British University Vietnam. There are facilities here that we don't have, such as a Nap Room and places for socialising. The campus is spacious and has a lot of environmental elements within, as well.

---

**Nguyen Ha Vy**  
BUV exchange student in Germany - September 2022

Thanks to this programme, I will have six months of studying, living, experiencing Germany, and perhaps backpacking around Europe during my free time. I truly believe this six-month journey is a precious and once in a lifetime opportunity.
